REGISTRATION INSTRUCTIONS FOR 7TH GRADE COURSES

Before beginning the registration process, please read this sheet carefully. Please complete the required **Enrollment Forms** available on the Earl Warren website at ew.sduhsd.net and click on **the Registration Tab** (located at the top of the EW main page). Select **Enrollment Forms**, then print and complete all forms under **Required Forms**. This includes the **7th Grade Course Selection Form**. Please refer to the EW Checklist and include the Checklist with your completed forms and documents.

Please return the Course Selection Form with the completed Enrollment Packet to your 6th grade Teacher by March 21, 2018

1. You must take **Physical Education (PE)**.

●Students who take a music course may also enroll concurrently in ISPE to earn PE credit (ISPE application required) and have the option to enroll in an additional elective.

●Students are unable to make any period requests for General PE or Surf PE.

●Parents are responsible for transportation to Surf PE in the afternoon. Period requests cannot be requested for specific carpool situations. Due to popular demand not all students who request Surf PE will receive it. **SPACE IS LIMITED. Students who are not selected will be placed in 2nd choice (if ISPE must meet the requirements)**.

●ISPE Application required to enroll in ISPE. MANDATORY Forms and information available on the district website at sduhsd.net. Select Parents & Students and then select Independent Study PE. All ISPE students must have the Online Contract and paperwork (A-C and certificate of Insurance) submitted by Friday June 1, 2017. Window to apply online opens Monday, April 16, 2017. Completed applications must be either dropped off or mailed to the district office. If accepted into ISPE, the student will not be assigned to a teacher, no attendance will be taken, and they must not stay on campus. ALL ISPE students are required to take the CA fitness test in grade 7. **Students who do not meet the requirements for ISPE will be placed in 2nd choice (if 2nd choice is Surf PE, then only if space is available)**.

2. You will have space in your schedule for **ONE YEAR-LONG ELECTIVE**. Elective Descriptions are available on the Counseling webpage under Course Profiles.

3. A World Language is not required for a high school diploma; however, 2 years are required to apply to a 4-year university. At least one year needs to be taken at the high school for all years to count. (Example, you cannot take just Spanish I and II in 7th and 8th grade for it to count for college. You will need to take Spanish III in 9th grade for your middle school Spanish to count). You are advised to begin your language by 9th or 10th grade. You will need to wait until high school if you wish to study French, Japanese, Chinese, or Sign Language. These courses are not available at Earl Warren but are available at the high school. NOTE: Spanish II requires you to pass Spanish I prior to enrollment.

4. An **online application** is required for **Leadership** and **Advanced STEM**. Application link available on the Earl Warren website at ew.sduhsd.net. Select Registration→Enrollment Forms. Application link located under the Information & Optional Forms heading.

5. Check the **English** and **Math** courses you would like to take. We strongly encourage you to review the English 7, English 7 Honors, Integrated Math A, and Integrated Math A Honors Course Profiles to help guide your decision. Course Profiles are available on the Earl Warren website at ew.sduhsd.net. Select the Counseling Department and select Course Profiles

6. Check box on Course Selection Form if student would like Zero Period Option (attend periods 0-5).

7. If your student has an IEP, complete the Course Selection Form and return it by the due date along with your Enrollment packet. Course requests will be reviewed at the transition IEP meeting.

8. If you are not from an Elementary feeder school and are enrolling in EW, please contact the Registrar's Office in Student Services at 858-755-1558 x4410 to set up a date and time to take a math assessment. Please allow one hour for the math assessment.
