

Seahawk Families:

Thank you for joining us for the first-ever virtual Earl Warren Back-to-School Night. Please begin with the principal's welcome message found below, which will guide you through the remainder of the program. Your next step will be watching the introduction from our fabulous PTSA President Julie Pallia. Then, you will be off to "visit" your student's classes by using our [Back-to-School Night Map Key](#) and our [Interactive Campus Map](#). Make sure to have your student's schedule handy so that you can navigate throughout the evening. If you need help finding your student's schedule, [CLICK HERE](#). If you would like to follow a schedule, it should go something like this:
